“ We remember seeing her through the decades, although many of those years we lived outside South Carolina. Since moving back to SC we have seen her and Brad through the years, but perhaps not as often as we could have. Great loss for the family.

“ Condolences to the family. I am so sorry for your loss. Ms Coleman was my supervising teacher at Hollywood School in 1984. She loved her 2nd grade students and helped me become a better teacher.
