“ *Frances, We are so sorry to hear of your Mom's passing. I think the last time we saw her was when Grandma passed. Every time I hear the song Woolly Bully I think about her. Linda, you and I used to dance with her to that song when we were little. We would argue about who could dance the best. Where have all the years gone. We love you and pray that God gives you the love and comfort that only He can.*
