“ *Aunt Jonell was a very special lady. Because I live way up here in New York I haven't been able to see her much. She was very dear to me and my sisters. I will miss her.*

“ *I was saddened when I heard of Mrs. Jonell's passing. She and I became phone buddies and I met her in person a few times concerning her paper delivery. You were a mess and I will miss talking to you. Prayers to your family.*
