“ I met Melita in elementary school. We walked home together from school and became fast friends. She was one of my Bridesmaids in my wedding. She asked me to be her Bridesmaid but circumstances and life kept that from happening. My heart is broken knowing She is gone. We would walk home from Jr. HS together and would pretend we were married to famous movie stars and would pick the houses we would be living in along the walk. Just so many memories. I spoke to her last when I lost my Mom. 5 years ago. Always in my heart my beautiful blue eyed blonde friend. You will be missed but I still have the memories. I will hold them close.
