“ *As Mike's fist cousin, I am deeply sadden to learn of his passing third hand and not from my family. Mike was a free spirit, full of life, and a restless soul who savored life. He had so many eclectic interests. I will sincerely miss him but I'll always remember his smile, energy and zest for life.*

“ I am sorry to hear of your loss. When we lose someone in death, the pain, the grief and the feeling of helplessness can seem unbearable. The Bible promises: "God is near to the brokenhearted." It also says: "Throw your burden on God and he will sustain you." (Psalm 34:18 and 55:22) I hope this message will offer some comfort in your time of sadness.

“ Dear Michael, I miss YOU very much and I Love YOU! I am very blest and Thankful that God brought YOU into my life. YOU will always have a special place in my heart, you've shown me Love and to be Loved as YOU are Love and God too! I will treasure all of our times spent together and done together. When I would come home to open the door I would say Honey I'm home! YOU would either be in the kitchen cooking, baking, flossing your pearly whites, and or in the office working away. YOU would come to me with open arms, hug and a kiss saying; I Love You Babe, Sweetheart, Honey or Doll! YOU made me so happy that I would let my friends know if they wanted to meet there soul mate go E-Harmony! As Michael was my soul mate, chef man, and my magic man too! I will always look up into the sky when I see an air plane and think of YOU, as YOU are my Angel with wings that will be looking over me and protecting me! With Much Love until we meet again on the other side!

“ I had the good fortune of meeting and working with Michael at ANSALDO STS. We would talk about magic and music. He was a talented, unique individual, and all around nice guy. I know he is performing for the Multitudes of Heavenly Hosts. Maybe one day, I will get to see his greatest performances there. May GOD grant you all peace and comfort in the days to come.

“ *Michael Littlejohn wasn't just my co-worker. He was truly a Renaissance Man! The man could cook, bake, do magic, play guitar, dress impeccably dapper, and be very witty. Michael was truly a joy to work with and our internal jokes will forever be treasured.*

It was such a shock how quickly things occurred over the past few weeks. It goes to show that the Higher Power is forever in control. I'm sure Michael's faith is now being rewarded in Glory. We'll miss you, but God needed you more. Rest on, brother!

“ *Michael's family and Angie,*

I am so sad to hear of Michael's recent sickness and his death. I worked closely with him at Ansaldo, STS and he was such a FUN and FUNNY guy!! He always had us laughing and kept us up on his latest magic tricks. He was a good- hearted guy that I knew always had my back. He will truly be missed by so many. Please accept my deepest condolences. I hope you will find some comfort in knowing that he is no longer suffering. May God bless you all.

*Sincerely,
Betsy Pierce*
