“ Mike was always a good friend and a good Paramedic. Through his care and training of others to care hundreds if not thousands of citizens in South Carolina have been aided during their time of need.

Mike loved this profession so much he would have done it all for free.

The Ditch Doctor will be missed.

Mike gave his ALL to see that Saluda's emergency services were as good as any where and better than most services even in larger areas. Most people will never know how much he gave. Now you are healed and serving in your heavenly home. Thank you Lord, for sending him to Saluda!

Mike was the first Paramedic that I worked with at Saluda. He put so much effort and energy into the EMS service. The EMS service would not be where it is now but for him. I volunteered with Saluda for 18 years and always knew I could count on Mike's support. Mike was also a friend and I know he will be missed by all. Rest now, Mike, on angels wings. You have earned your peace. May you bask in the glow of God's love as you take your place at the foot of His throne.

So sorry to hear of Mike's passing. Knew him years ago when I worked at NCMH and then again when I worked at Richland Memorial. He was an excellent Parametic and well respected.
