“ Tammy, Sidney & family, were were saddened to hear of Aunt Norma's passing. I have many fond memories of the times I used to stay at Mama Able's house when visiting with my grandmother (Flo). I remember your parents stopping by many nights to visit. The older I get, the more memories such as those mean to me.

You are all in our thoughts and prayers.

“ My Mama and Daddy, James and Doris Smith cared so much for Carson and Norma and in their younger days would go dancing together. May God comfort you in your loss.

“ Tammy and Sidney and family, Dale and I send our love and prayers to your family. Norma and Carson were and are very special to all our family. Norma was a kind and caring Christian lady with an attitude of service and love and with a great sense of humor. She blessed many folks including me. Your family is very rich for having an example of Godly parents and it is good to see you following in their teachings and faith. To God be the Glory!
