“ I enjoyed Mr. Ray's company throughout my time in Saluda. He and his wife, Mrs. Heidi, were always very nice to me and my family (mom, dad, Julie, and Opa). I was privileged to be in their personal home for visits. Similarly, my family was privileged to host Mrs. Heidi and him for dinner once at our home in the Hollywood School community. He and Mrs. Heidi allowed me to fish their "backyard" pond when I was a boy (big catfish in there). In addition, my father and I watched a few football games (college and NFL) with Mr. Ray at his home over the years. Their home was always neat and tidy and filled with friendliness towards me. Of note, I will never forget his generosity in allowing me to use his typewriter (a thing of the past now-a-days) for typing on hardcopy forms on a couple of occasions. Since these were hardcopies and I was too technologically advanced with computers for all my typing needs, I needed a typewriter in the worst way. So, I am grateful that Mr. Ray kept his typewriter and kept it well-maintained. Even though I have not seen him in several years, I know I will miss him. Thank you, Mr. Ray!
