“ I was sorry to learn of Mr. Taylor's death. My dad and mother moved to Cateechee when I was four years old and we lived there for approximately ten years. Mr. Taylor played a significant role in my dad's early textile career. Mr. Taylor was well respected and admired in the community. My mother, sisters, and brother send our condolences. Our prayers will be with you during this time and in the days ahead.

“ I am so sorry that I cannot attend the celebration of life for one of the finest examples of a Positive Christian man like Mr. Taylor. I loved to see his face because he had such a warm, welcoming countenance. My sympathy and love to an incredible family.
