“ *Richard was a good friend since we were in the 4th grade. We enjoyed picking at each other almost every time we met. I have lost a very good friend for the time being. We shall meet again. To the family, I can only say you are in our prayers. God has a purpose for everything and we may not understand now but one day when we meet again, we will.*

“ Richard was a dear friend, and mentor to our whole family. He helped move us several times from one church parsonage to another, for over 40 years. I always confided in him, and trusted him to give sound advice and clear wisdom about a number of things. He and Janice ran a bus in the bus ministers of Hopewell Church for several years, bringing many young people to church and on the road for youth camp, and youth alleys. All the youth loved them because they knew that Richard and Janice was one of them. They had confidence in them, and enjoyed all the many activities of the church in the 70's, when we were all young. I treasure the friendship and love of Richard and he will be greatly missed by all of those who knew and loved him. Our prayers are with all of the family and friends, we shall meet again one day, on the other side.
