“ i only met Clay a few times and he wasn't a "big talker"but struck me as a man that only spoke when he had something worthwhile to say. I do know several very special people loved him very much, so I know he must have been very special too! My deepest condolences to all of you!

“ Libby, I am so deeply saddened to hear of the passing of Clay. My heart aches for you and the girls. Know that he is not gone forever, but is comfortably with God awaiting your eternal reunification in a life that knows no sadness. I know the loss of a husband, father & friend can never be adequately summed up in words alone. So, my friend, I offer my prayers for strength and peace to comfort you and the girls during this time of distress and sadness.
