“ My favorite and most precious memory of my dear brother-in-law is this.  
Mike and I had taken Robert to NHC in Clinton to visit their mom, Ms. Francis. She had been there about a few weeks (the longest time she and Robert had ever been separated). Ms. Francis was sitting in her wheel chair around the nurses desk. Mike and I rounded the corner and Ms. Francis lit up like a Christmas tree! She whispered to Mike “he hasn’t taken his eyes off me”. Mike replies, “Momma, you haven’t taken your eyes off him”. We just smiled and laughed and enjoyed their reunion! I can just imagine the grand reunion those two had on Monday! Robert, we will forever love and miss you, but, we rest assured you’re in the arms of your maker and your momma.
