“ To This Sweet Dear Family,

My heart aches for your loss. You and your family were my family's best friends and neighbors first and foremost. Roger Crouch was a common name in our community. He was just a wonderful person. His smile and kindness overflowed for everyone he met and shined through his ability to touch each person in a special way. In his Army career, USDA career and everyday life he excelled. I am sure he is lighting up the faces of many in heaven who loved him and neighbors are enjoying hearing his stories and remembering all the good times at my Granddaddy Wilson's old store. To me personally, he was a great friend and the best boss ever in life. He put a stamp on each employee's heart for his fairness and leadership.

He will be dearly missed by so many. May God wrap his arms around you all and comfort you at this difficult time.

And eventhough he held many titles in life, he will forever be remembered to all of us as just "BO".

*With my Love,
Janice Powell and Family*
