“ I was sadden to read of Ruth's passing in this morning's paper. We shared many times together - church, meetings, raising our children together. We grew together as our children grew. I never heard Ruth speak an angry word or to speak ill of anyone. She was a great person and a great friend. I so enjoyed seeing her at Gassaway's Home Coming last summer and sharing some memories with her. I will miss her and her friendship. My heart goes out to each of you as I know what a great loss this is to you.
