AN

“ One of my favorite memories with Sarah. Was during one of many family vacations with my dad. It was custom to stay at aunt Faye's when we visited and in this one particular night us girls were supposed to be getting ready for bed (Sarah, Dawn & myself) when at some point a Junebug had snuck in the room unbeknownst to us. After the lights went out this bug decided to invade our space and none of us at the time knew "what's that noise?" Well it just so happened it landed in Sarah's hair and she started screaming "It's got me!! It's got me!" which in turn sent us into screaming fits with aunt Faye running into the room and uncle Tom not too far behind wondering what was wrong. I'm sure going to miss you Sarah!

BE

“ Emily and Dylan, Our prayers are with you and your family. We will always remember the wonderful times we had with the Fox family at New Horizon. Sarah's laugh always made you smile and her creative nature always amazed me. She will be greatly missed. With love, the Edwards family (Brenda, Hoyt & Jared)
