“ We are saddened by the loss of one of the most soft spoken, gentle spirited, and kindest ladies. She exemplified love in so many ways from sending Christmas cards, her wonderful cooking, and especially for her family. She is in a place of perfect peace, Heaven, a place where we all long to go. Our thoughts and prayers are with you precious family.

“ Sue and Harold are my neighbors and have been since I have lived on Hillside Dr.

The most unique thing about her was her love for everyone she came in contact with.

From the kids she loved on at school or that she sent roses to my handicapped niece for as long as she lived on her birthday .She was a shining example of God’s love and shared that love with all she came in contact with.I will miss her greatly.I will be praying for her family as they go thru and adjust to their great loss.

“ Sue is one of the most kind people, I've ever known. We were neighbors for 20 plus yrs. and our families have remained friends for over 45 yrs. When my son was born, he and Brandon became best friends, Sue always treated him as her own son, as well as many other children. She was a unique person! Sue you will be greatly missed! Harold, Beth, Brandon and precious grandchildren, I know we will see her again, soon.
