“ My name is Jim Murphy. Stumpy and I were work partners at GS2 for about 4 years before the military directed me to another state. Having known Ted prior, both working at a different company, I found him to be always friendly, accommodating and most important, trust worthy. I was hoping that we could reconnect when I retired to SC and share our new experiences. I'm sincerely saddened by his passing, and I wish, even after 8 yrs, that his family has found comfort with our loss.

“ Wishing you hope in the midst of sorrow, comfort in the midst of pain.

I appreciated Ted's friendly nature during the time he was working with me. He always took time out of his day to stop by and say hi and pet our office dog. He will be in my heart and memories.

“ *My thoughts and prayers are with Ted's Family at this time. I met him so many years ago through my best friend and he always took the time to say hello and check on my family. He was such a sweet and caring man who always made time for his friends when they needed him. He will greatly be missed. Heaven truly gained an amazing angel.*
