“ *Ms. Connie, Britt, Meredith, Libby*

Mr. Reames was one of the nicest men I knew. He was a wonderful Christian and loved everyone. He always had good things to say about everyone and was so complimentary. As a school board member, he was number one, always very professional. I loved him and will miss him dearly.

“ *I remember Coach Reames as a great teacher with an even better sense of humor. I'll always remember when he called a female classmate out for talking. He made her come to the front of the class and he told her he had no choice but to use his paddle on her. She braced herself on his desk and as he started to paddle her, he brought his algebra book up and hit it with the paddle but she still jumped as if she had been shot. The whole class laughed so hard we had tears.*
