“ I will always remember the smile that lit up his eyes. The quiet kindness of his gentle heart. The wonderful sense of humor. I remember even though I was very young when he broke his leg riding the motorcycle and was living upstairs in the attic room of Granny's, how he made it up all those stairs getting up and down and I never heard a complaint. I will miss his gentle spirit . I love you Uncle Tommy. Always have. Always will. Until we meet again in our Fathers house. May God grant peace and comfort to the entire family in the knowledge that he is with the family that has waited to greet him at Heavens Gate.
