“ *I am forever grateful to have had the opportunity to work with and become friends with Mr. Tony Cockrell for well over a year during the construction of the Celebration Church. He was a man full of integrity with a genuine love for his faith, family, church and career. Looking back, there are very few photos during construction where Tony is not on site. The Burriss Building Systems family as well as all supporting subcontractors all enjoyed his presence and appreciation for hard work and quality craftsmanship. Here are a few photos of the church (including his hand sketches) that Tony single- handedly designed one evening at his home. A design for which he credited as divine inspiration. Thank you to him and Mrs. Sharon for the opportunity to have worked with them both during life's journey...*

“ *Sharon and family*

Tony was an exceptional person. We enjoyed the smiles, hugs and handshakes he gave out every Sunday. It will not be the same without him. I know he is completely healed now and would not trade places with us. May God give you all peace and comfort knowing that Tony is with Him. Sharon, please know your church family is here for you and we love you all.

“ God sends people into your life to make you smile and lift your spirit with a word from scripture.. Tony was as good a friend as any man could ever have and I loved him for that..

proverbs 17;17 says A friend is always loyal, and a brother is born to help in time of need. That was Tony Cockrell.

I thank God for allowing Tony to be my friend.
