“ I loved Willette. Along with Mrs. Arielle Sample , Willette and I worked at Smith's 5 & 10 together when I was 16. That was in 1964. She taught me so much during that short time. Willette was a person I loved to see coming my way, because I knew our conversation would end with laughter. I can't tell y'all how many times I have left BI-LO and gone down Clemson Road thinking one day I'm going to stop and visit Willette. I pray God will comfort you all during the coming days.

Mrs. Willie was such a kind and sweet person, as was Mr. Ansel. I loved them both. They were so good to my boys growing up and visiting the drug store after school.
