“ *I wish there were words that I could say to the family that would really help. But, there are no words that help with the grief and the feeling of loss you now are going through. I will tell you that time and your wonderful memories will help more than anything. Remember that all of you are loved. Not only by me, but by our Lord.*

“ *To Mrs, Dot and all of Mr. Bill's family - We will greatly miss him. He was a good friend to us and to all of the people of the church. His love and friendship will be greatly missed by all. We rejoice in knowing that the Christian believer, when absent from the body, is present with the Lord. Our prayer is that the Lord would grant His comfort and care to each of you in the days that are ahead! We love you!*
