“ I'm so sorry to hear this, David was a good friend, Been fighting a hard battle for a lot of things. It seem as if he was getting to the top of the mountain and God calls him home. They is a lot of things in this world we don't understand. We ask why, but if you ask David he would say I'm at the top of the mountain and I got the best reward you could ask for,
A HOUSE WITH THE LORD.
R.I.P David, I and a lot of other people will surly miss you.
Your Friend, Larry

“ I'm gonna miss our get togethers at KJ's and Bi-Lo's. I loved the smile on your face as Sharon would shake her head and make the comment, " I have no idea where he thinks he is gonna put this, our freezer is full now." Now you can walk the streets of gold with smiles and no pain. Loved you like an older brother.
